WIRELESS TELECOMMUNICATIONS BUREAU GRANTS UPPER AND LOWER PAGING BAND LICENSES

AUCTION EVENT NO. 40

Report No. AUC-40 (Auction No. 40)

On May 7, 2003, the Wireless Telecommunications Bureau announced that it was prepared to grant Beeper Network Inc.'s applications for the licenses it won in the Upper and Lower Paging Band auction (Auction No. 40), provided that it made full and timely payment of the remaining balance of its winning bids.¹ Additionally, Scott MacIntyre, an applicant that was not listed on the Prepared to Grant PN, already has made full payment of its winning bid.²

The Commission received full and timely payment, as required by section 1.2109(a) of the Commission's rules, 47 C.F.R. § 1.2109(a), for the applications listed in Attachment A. Accordingly, by this Public Notice, we announce the grant of the Upper and Lower Paging band licenses listed in Attachment A. We grant these licenses pursuant to Section 309(a) of the Communications Act of 1934, as amended, 47 U.S.C. § 309(a), and section 0.331 of the Commission's rules, 47 C.F.R. § 0.331, because it will serve the public interest, convenience and necessity.

This Public Notice contains the following Attachments:

Attachment A: List of Applications the Wireless Telecommunications Bureau is Granting.

Attachment B: Instructions for Searching for Applications Listed in Attachment A Using ULS.

Attachment C: Instructions for Searching for Granted Licenses Listed in Attachment A Using ULS.

¹ See Wireless Telecommunications Bureau Announces It is Prepared to Grant Upper and Lower Paging Band Licenses Upon Full and Timely Payment, *Public Notice*, DA 03-1522 (rel. May 7, 2003) ("Prepared to Grant PN").

² Because Scott MacIntyre already has made full payment of its winning bid, the Wireless Telecommunications Bureau will not issue a separate public notice indicating that it is prepared to grant the application upon full payment.

Attachment D: Instructions for Accessing the FCC Network Using Windows 95/98.

For further information, the news media should contact Meribeth McCarrick, Wireless Telecommunications Bureau, at (202) 418-0654. For questions regarding legal matters and licensing issues, contact Amal Abdallah, or Evan Baranoff, Wireless Telecommunications Bureau, Commercial Wireless Division, Policy and Rules Branch, at (202) 418-0620.
